Wendy Hill - single

602 Hill, Wendy *(Gary, Please Don't sell) My Diamond Ring/*
Donna, Leave My Guy Alone *Liberty F-55771 (US)* *1965*

Leon arranged both tracks and co-wrote "Donna, …". "My Diamond Ring" is an answer to Gary Lewis' "This Diamond Ring". Snuff Garret is the producer on both tracks. Do Leon plays? Hm, there is a "drone-like" organ on both tracks. On "My Diamond Ring", there is some organ that could *be Leon, but I will classify this as a "maybe" as far as Leon's playing goes.*
